## BOWELS SO BAD HE TOOK QUART OF MINERAL WATER A DAY

Mr. Whitesides was in a bad way. Tells how he got over it.

"I suffered for years with stomach trouble and constipation. I got so I could eat nothing but soft food and had to take a quart of mineral water a day for my bowels. I decided to try Milks Emulsion and have used 3 bottles. The results have been wonderful. The soreness left my stomach. I can eat solid food, my bowels have improved and I feel like a new man. Anyone suffering as I did should lose no time in starting on Milks Emulsion."—M. F. Whitesides, 214-2 S. 6th St., Springfield, Ill.

The mere physics you take, the more you'll need. Break away from them. Milks Emulsion costs nothing to try.

Milks Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food, as a builder of flesh and strength. Milks Emulsion is strongly recommended to those whose sickness has weakened, and is a powerful aid in regaining and repairing the effects of wasting diseases. Chronic stomach trouble and constipation are promptly relieved.

This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. Truly wonderful for weak, sickly children.

No matter how severe your case, you are urged to try Milks Emulsion under this guarantee—Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. The Milks Emulsion Co., Terre Haute, Ind. Sold by Peoples Drug Stores and all first class druggists.

## Says His Prescription Has Powerful Influence Over Rheumatism

Mr. James H. Allen suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work.

He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind, he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery to others who took it with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers. Peoples Drug Stores have been appointed agent for Allen's in this vicinity with the understanding that he will freely return the purchase money on the first two bottles to all who state they received no benefit.

## SHUBERTS ACQUIRE BALTIMORE HOUSE

Academy of Music May Be Used By Magnates for Vaudeville purposes.

BALTIMORE, Jan. 27.—Lee and J. J. Shubert, New York theatrical magnates, who already operate the Auditorium and Lyceum Theaters in Baltimore, have purchased the Academy of Music, it was learned last night. Unless they take up the present lease on the theater, however, they will not be able to use the house until September 1, 1923.

This information comes upon the heels of the news that the Shuberts have organized an "advanced vaudeville" company, and that Baltimore will be one of the cities on its circuit. Whether or not the Academy will become the Shuberts' vaudeville house or whether they will use the Auditorium or the Lyceum for vaudeville is not known.

An agreement is said to exist between the Shuberts and Fred C. Schanberger, with whom the Shuberts have made their booking arrangements for the Auditorium and the Lyceum, which would bar their attempting any other theatrical enterprise in Baltimore, including vaudeville, for a term of years.

H. A. Henkel, resident manager of the Academy, said last night the Academy of Music Company, A. L. Erlanger, president, has a lease on the Academy which does not expire until September 1, 1923, and that the same class of attractions will be continued at the Academy until that date.

## DIES FOLLOWING BLOW FROM BROTHER-IN-LAW

CUMBERLAND, Md., Jan. 27.—It has been established that James R. Scritchfield, aged twenty-eight, who died in a hospital here from meningitis, resultant from a fracture of the skull, sustained the injury from having been struck with a piece of stove wood by his brother-in-law at Manns Church, Pa.

Scritchfield, it is alleged, had been drinking heavily and with his wife and several children went to the house of his sister, Mrs. Robert Whetstone, and announced he was going to "clean house." He threw his revolver on the table and removed his coat. When his sister remonstrated with him, he threw her in a corner and frightened the children. He then attacked his brother-in-law, who threw the stick of wood in self-defense. Scritchfield was unconscious for two weeks before he died.

## HOUSE URGED TO SAVE NEW ENGLAND FORESTS

"The dance of death is proceeding merrily in the New England forests," declared Philip W. Ayres, of the Society for the Protection of New Hampshire Forests, today before the House Agricultural Committee, which is considering the Snell bill for a national forestry program.

"In a single day," added Ayres, "three thousand men, armed with every invention that Yankee ingenuity can devise, strip the steep slopes that cannot be recovered to forests of value in centuries."

Ayres further said that high prices for all wood material, is reacting seriously in the White mountains. Felling operations proceed with a rapidity unknown before, except upon the limited areas already required by the Government, Ayres said.

## TRAINING SCHOOL TO PRESENT "BEAUCLAIRE"

The McKinley Manual Training School will present as the spring play this year "Monsieur Beaucaire," a dramatization by Miss Ethel Hale Freeman of Booth Tarkington's novel. This will be a departure from custom, the school having selected musical comedies for the last few years.

The play will be given in the auditorium of New Central High School on the evenings of March 16, 18, and 19.

## PUTS BLACKSMITH BACK AT HIS FORGE

The Reese Formula R-11 "Sure Has Done Me a World of Good," He Says.

LEG WAS SWOLLEN TO TWICE NATURAL SIZE.

"The fact that I am able to do my work today as well as I have ever done it is due to the use of the Reese Formula R-11," J. W. A. Wallace, a blacksmith, of Richmond, Va., says, and continues:

"I suffered terribly from rheumatism in my right leg and from kidney trouble. I had such awful pains around my back and in my leg, which was swollen to twice its natural size, that it was impossible for me to get about. Although I have taken only one bottle of the Reese Formula R-11 I am able to get about again, and all I have to do is to strongly recommend R-11 for rheumatism and kidney troubles as it sure has done me a world of good."

The Reese Formula R-11 is a general tonic for the stomach, liver and kidneys and sufferers of these troubles and their kindred ailments, such as rheumatism, lumbago, indigestion, sleeplessness, urinary troubles, etc., will do well to get a bottle today at Peoples Drug Stores.

## JURY'S MIND MADE UP, "VILLA'S" PLEA

Alleged Dynamiter's Attorneys to Argue Motion for New Trial Monday.

Arguments on a motion for a new trial for Guy (Villa) Thompson, recently convicted of the slaying of James Bolton and the two children of Mattie Shipley, Bolton's housekeeper, will be heard on Monday by Chief Judge Hammond, Jr. and Associate Judges Edward C. Peter and Glenn H. Worthington in the circuit court of Montgomery county, at Rockville, next Monday.

In his motion for a new trial, At-

torney John A. Garrett, of counsel for Thompson, charges that two of the jurors who presided at the trial several weeks ago when Thompson was convicted and sentenced to be hanged, had previously expressed opinions as to the guilt and innocence of the alleged slayer who dynamited the Bolton home near Germantown, six miles from Rockville.

## GIGGLING GIRLS BARRED FROM NEW JERSEY JURY

## WOMAN'S SCREAMS FOIL HIGHWAYMAN

Mrs. Charles Sylveria Frightens Away Robber Who Sought Her Pocketbook.

One woman was held up and robbed of \$6 by a negro last night and another complained that a white man had attempted to snatch her pocketbook.

Miss Lorene Roberts, 1305 Rhode Island avenue northwest, reported that she was approached by a colored man at the north side of Iowa circle, and, after he extracted \$6 from her pocketbook, handed back the bag. He escaped before she could notify a policeman.

Frightened by the screams of his intended victim, a footpad who attempted to snatch the pocketbook of Mrs. Charles Sylveria, 715 Allison street northwest, sped off and escaped.

After breaking a padlock on the front door of the cigar store conducted by David Ashman at 100 East Capitol street, a burglar entered the place and stole thirty boxes of cigars and a pistol, totaling a value of \$100. Cigars, hair tonic, and perfumes comprised the loot taken from the drug store conducted by H. J. Werner, 501 East Capitol street. The thief stole articles worth \$20.

## 100 YEARS OLD

"The kidneys play a most important part in causing premature old age and death—the more injurious the poisons passing through the kidneys the sooner comes decay"—so says a distinguished physician, who further advises all people who are past thirty to preserve the vitality of the kidneys and free the blood from poisonous elements, such as uric acid—to drink plenty of pure water—sweat some every day and take "Anuric" (anti-uric acid) before meals.

This "Anuric" is put up in tablet form, and can be obtained at almost any drug store. For that backache, lumbago, rheumatism, "rusty" joints, swollen feet or hands, due to uric acid in the blood, "Anuric" quickly dissolves the uric acid. It was discovered by Dr. Pieros of Buffalo, N. Y. Send him 10c for trial pkg.
